

iPods in the Classroom

Here is a list of sites you can explore to find out more about using iPods in the classroom.

Education World [Sites to See: iPod Resources](http://www.education-world.com/a_tech/sites/sites070.shtml) – information and links

http://www.education-world.com/a_tech/sites/sites070.shtml

An interview with a Technology Coordinator regarding iPods in the classroom

<http://www.schoolcio.com/showArticle.php?articleID=196604276>

An awesome website! Three sections—Student Consumed (podcasts used by students); Student Created (podcasts created by students); and Teacher Tools (information to help you create podcasts)

<http://www.springfield.k12.il.us/ipod/>

Apple's Learning Interchange (create an account, free, to view)

<http://edcommunity.apple.com/ali/collection.php?collectionID=714>

Information and lots of links from Mrs. Levin

<http://www.pre-kpages.com/ipods.html>

This is a discussion post to which teachers have written about using iPods in the classroom
